

# SARASWATI MAHILA MAHAVIDYALAYA, PALWAL

## LESSON PLAN

Class : M.A. Pol. Sci. Previous

Semester : I<sup>st</sup>

Paper : Research methodology.

Session : 2020

Lectures	Topic
L1	Scientific method: Meaning, Basic Assumptions
L2	Characteristic of scientific method.
L3	main steps of scientific method
L4	Revision of This Topic.
L5	written Test
L6	Limitations of scientific method
L7	Group discussion of scientific method.
L8	Social Research: meaning and Nature.
L9	objects of social Research.
L10	Types of social Research
L11	Basic Assumptions of social Research
L12	Conclusion and Importance
L13	Group discussion
L14	Revision of this Topic
L15	written Test
L16	Hypothesis: concept
L17	Hypothesis: meaning
L18	Sources of Hypothesis
L19	Types of Hypothesis

Lectures	Topic
L 20	Group discussion
L 21	Characteristics of Hypothesis
L 22	Revision of unit I
L 23	Role of Hypothesis in Political science Research
L 24	Limitation of Hypothesis
L 25	Criteria for the Evaluation of Hypothesis
L 26	Nature of Role of Theory in social Science
L 27	Group discussion
L 28	Revision of this Topic
L 29	written Test
L 30	Conclusion and importance
L 31	Revision of the Nature of Role, in social science
L 32	Revision of unit - 1
L 33	Research Design
L 34	Concept and meaning of Research Design
L 35	Features of Research Design
L 36	Contents of Research Design
L 37	Revision of unit - 2
L 38	Group discussion of Research Design
L 39	Classification of Research Design
L 40	written Test
L 41	methods of Research Design
L 42	Difference between exploratory and Description Design
L 43	Experimental Research Design

Lectures	Topic
L44	Types of Research Design
L45	Group discussion
L46	Revision of unit-3
L47	written Test of Research Design
L48	Importance and Role of Research Design
L49	Case study: Concept, meaning
L50	Characteristics of case study
L51	Basic Assumption of case study
L52	Types of Case study
L53	Revision of Case study!-meaning, Types.
L54	Procedure of case study
L55	Tools and Technique of case study
L56	Limitation of case-study
L57	Importance of case-study
L58	discuss: Case study
L59	Revision
L60	Salaction of Research Problem
L61	Formulation of Research Problem
L62	Group discussion
L63	Revision of unit-4
L64	Conclusion and Importance of Case study
L66	Group discussion
L67	Revision of Previous Topic
L68	Revision unit-4
L69	written Test
